Item / Initial	Description
<b>2. General Business</b>	
RL	Asked about ML/EL at Hillcroft. SSG explained that CC are in process of auditing all the ML/EL and will consider relinquishing tenements that are not required,
RL	Mentioned heating areas at CVM. KE explained the processes that CC are undertaking
MB	Inquired about the rehab and the 'scar' at CVM. KE talked about the options that CC are looking at for CVM.
RL	Asked if the change of ownership at Delta Vales Point (VP) will impact on CC. KE answered no, as VP still requires coal.
RL	Raised concerns about dust and noise from the train loading, at his property Pine Lodge. Quarterly Noise monitoring is been carried out a Pine Lodge, and Dust Monitor is located at Hillcroft, next door to Pine Lodge.

Item / Initial	Description
